Departure 19/04/2023 at 10:00

The ultimate symbol of Florida if ever there was one, to this day Miami remains a must-see city. The home of what is considered to be the world's busiest cruise ship port, this multicultural city where the sun rules supreme has a lot more to offer than just long beaches and glamour. Miami is also worth visiting for its Art Deco district in South Beach, home to pastel-coloured buildings and to hotels with eccentric shapes. Artists, designers and top couturiers enliven this multifaceted city of skyscrapers, boutiques, frescoes and turquoise water. Not far from there is Everglades National Park, the largest subtropical wilderness reserve in North America, listed with UNESCO.

AT SEA

Arrival 20/04/2023

Departure 07/05/2023

During your day at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This day without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

HONFLEUR

Arrival 08/05/2023 midday

Disembarkation 08/05/2023 at 12:15

A treasure of the **Côte Fleurie**, Honfleur is located on the edge of la Crique de Rouen in Normandy. You will no doubt admire the historical ships moored in its **old port**. With its tall, slate-covered houses, the quays provide a great setting for a very nice walk. In the streets behind the harbour, you will see many timber houses. These picturesque places were the cradle of several pre-impressionist painters. You can see their works in the **Eugène Boudin museum**. Exhibited works represent scenes of medieval streets and the coastline as it used to be, as illustrated by the Butin beach and its lush green hillsides.
